R Series Helical Gear Units

08 / 2015

Note!

1. The structure scheme, appearance diagram and other attached diagrams in sample are examples, there is no strict proportion requirement. If you need exact dimension of certain types, please contact our sales dept.. (The unmarked dimension units are mm).

2. Gear unit has been tested before delivered, users should add lubrication oil before running.

3. We can only refer to the marked oil in the mannul. Actual oil filling level should be the same with the mark on oil immersion lens.

4. Lubrication oil viscosity should be selected according to working conditions and ambient temperature.

5. To prevent accidents, all the rotation parts should be added with protective covers according to safety regulation of the nation and region.

6. The solid shaft input structure gear unit is not equipped with any motor.

7. Motors of Y series are supplied with protection grade of IP54 unless otherwise specified.

8. Unless otherwise specified, you will receive the terminal box at 0°.

Guidelines for the selection

- Gear units are designed under the circumstance of steady load, stated operating time per day and a few sarting times.but the practical condition will be not as perfect as the designed circumstance.so we must confirm driven machine factor f_1,prime mover factor f_2,starting factor f_3 according to actual load type, operating time,starting frequency.let it less than or equale to the service factor fb of selection table,viz $f_1 \times f_2 \times f_3 \leqslant f_B$.the needed torque of service machine multiply the service factor ($f_1 \times f_2 \times f_3$) should less than or equale to gear units' permissible torque.

  Viz $T_N \geqslant T_2 \times f_1 \times f_2 \times f_3$

  f_1 — Driven machine factor(See table 1)

  f_2 — Prime mover factor(See table 2)

  f_3 — Start factor(See table 3)

  T_2 — The torque required by driven machine

  T_N — Gear unit permissible torque(See page 03)

- We accept the orders of products of special specification, and provide our customer with exclusive design service.

- Along with the technology advanced etc., the product of the mannul of RED SUN will be changed, please forgive.
